# Section A – About this Insurance

## Our Product Disclosure Statement

This policy document is also a Product Disclosure Statement (PDS). A PDS is a document required by the Corporations Act and contains information designed to help you decide whether to buy it.

## Understanding your policy and its important terms and conditions

To properly understand this policy's significant features, benefits and risks you need to carefully read:

- about the available type of cover and benefits in the relevant sections, including any endorsements (remember certain words have special meanings – see “Words with special meanings”);
- “When we will not pay your claim” section (this restricts the cover and benefits);
- “General conditions” and “Making a claim” sections (these set out certain obligations that you and we have. If you do not meet them we may be able to refuse to pay a claim); and
- “Other information” section (this contains important information on your duty of disclosure, our privacy policy and our dispute resolution process).

When you apply for the policy by completing our application we agree with you on things such as: the period of insurance; your premium; the motorcycle the cover applies to; the limits you want for certain covers (if optional) and whether any standard terms need to be varied (this may be by way of an endorsement).

These details are recorded in the schedule we issue to you.

The base premium we charge you is based on your risk profile (e.g. the level of cover you choose). You will also have to pay any compulsory government charges (e.g. Stamp Duty and GST) (where applicable) plus any additional charges we tell you of. We tell you the total amount payable when you apply and if you effect cover, the amounts due will be confirmed in your schedule.

You need to ensure the limits and level of cover are appropriate for you. If they are not, you may be underinsured and have to bear part of the loss yourself.

You should also read the GST Notice in the “General Conditions” to understand how GST is applied to a claim.

If you have any queries, want further information about the policy or want to confirm a transaction, please use the contact details on the back cover.

## **Cooling off period and cancellation rights**

Remember you have a cooling off period. You may cancel your policy for any reason within 14 days from the day you purchased this policy. This is known as the cooling off period. You will need to return the policy and schedule to us, together with a letter asking us to cancel the policy. We will refund the premium paid unless an incident has occurred which may result in a claim. Even after this period has ended you still have cancellation rights (see general conditions section for details).

Preparation Date : 26/10/2007.

## **Updating the PDS**

Information in the PDS may need to be updated from time to time. You can obtain a paper copy of any updated information without charge by calling us on

the contact details provided on the back cover of this policy document. If the update is to correct a misleading or deceptive statement or an omission, that is materially adverse from the point of view of a reasonable person deciding whether to acquire this policy, we will provide you with a new PDS or a supplementary PDS.

- b. We have the right to cancel this policy where permitted by law. For example, we can cancel:
  - if you have failed to comply with your duty of disclosure, or
  - where you have made a misrepresentation to us during negotiations prior to the issue of this policy, or
  - where you have failed to comply with a provision of your policy, including the term relating to payment of premium, or
  - where you have made a fraudulent claim under your policy or under some other contract of insurance that provides cover during the same period of time that our policy covers you.

- c. If you or we cancel the policy we may deduct a pro rata proportion of the premium for time on risk, reasonable administrative costs related to the acquisition and termination of the policy and any government taxes or duties we cannot recover.

### **4. GST Notice**

This policy has a GST provision in relation to premium and our payment to you for claims. It may have an impact on how you determine the amount of insurance you need. Please read it carefully. Seek professional advice if you have any queries about GST and your insurance.

#### **Sums insured**

All monetary limits in this policy may be increased for GST in some circumstances (see below).

#### **Claim settlements – Where we agree to pay**

When we calculate the amount we will pay you, we will have regard to the items below:

- Where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim

(such as services to repair a damaged item insured under the policy) we will pay for the GST amount.

We will pay the GST amount in addition to the sum insured/limit of indemnity or other limits shown in the policy or in this schedule.

If your sum insured/limit of indemnity is not sufficient to cover your loss, we will only pay the GST amount that relates to our payment in settlement of your claim.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled.

- Where we make a payment under your policy as compensation instead of payment for a relevant acquisition, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to had the payment been applied to a relevant acquisition.
- Where your policy insures business interruption, we will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by your business that is relevant to your claim.

## **Disclosure – Input tax credit entitlement**

If you register or are registered for GST, you are required to tell us your entitlement to an input tax credit on your premium. If you fail to disclose or understate your entitlement, you may be liable for GST on a claim we may pay. This policy does not cover you for this GST liability, or for any fine, penalty or charge for which you may be liable.

You must forward a copy of the release you forwarded the insurer of your comprehensive motorcycle insurance in order to receive your total loss payment.

## Other information

### Your Duty of Disclosure

Before you enter into an insurance contract with us, the Insurance Contracts Act 1984 requires you to provide us with the information we need to enable us to decide whether and on what terms your proposal for insurance is acceptable and to calculate how much premium is required for your insurance.

The Act imposes a different duty the first time you enter into the policy with us to that which applies when you renew, vary, extend, reinstate or replace your policy. We set these two duties out below.

### **Your Duty of Disclosure when you enter into this policy with us for the first time**

You will be asked various questions when you first apply for this policy. When you answer these questions, you must:

- give us honest and complete answers;
- tell us everything that you know; and
- tell us everything that a reasonable person in the circumstances could be expected to tell us.

### **Your Duty of Disclosure when you renew, vary, extend, reinstate or replace your policy**

When you renew, vary, extend, reinstate or replace the policy, your duty is to tell us before the renewal, variation, extension, reinstatement or replacement is made, every matter known to you which:

- you know, or
- a reasonable person in the circumstances could be expected to know,

is relevant to our decision whether to insure you and whether any special conditions need to apply to your policy.

### **What you do not need to tell us for either duty**

You do not need to tell us about any matter:

- that diminishes our risk;
- that is of common knowledge;
- that we know or should know as an insurer; or
- that we tell you we do not need to know.

## Who do the two duties above apply to?

Everyone who is insured under the policy must comply with the relevant duty.

## What happens if you or they do not comply with either duty?

If you or they do not comply with the relevant duty, we may cancel the policy or reduce the amount we pay if you make a claim. If fraud is involved, we may treat the policy as if it never existed and pay nothing.

## Privacy Act 1988 – Information

We collect your personal information directly from you where reasonably practicable or if not, from other sources.

We collect it to provide our various services and products (e.g. to market, arrange and administer insurance and to handle and settle claims) and to conduct market or customer research. We also use it to develop and identify services of our related companies and alliance partners that may interest you (but you can opt out of this by calling the Allianz Direct Marketing Privacy Service Line on 13 2664 EST 8am-6pm, Monday to Friday or indicate your decision in the appropriate area of the Privacy section of our website at [www.allianz.com.au](http://www.allianz.com.au)). If you do not provide the information we require we may not be able to provide you with this service.

We disclose information to third parties who assist us in the above. (e.g. insurers, insurance intermediaries, insurance reference bureaus, related companies, our advisers, persons involved in claims, external claims data collectors and verifiers, your agents and other persons where required by law). We prohibit them from using it for purposes other than those we supplied it for.

Where you provide us with information about another person for the above purposes, you must tell us if you

haven't got their consent to this. If you wish to gain access to your personal information (including to correct or update it), have a complaint about a breach of your privacy or you have any query on how your personal information is collected or used, or any other query relating to Privacy, contact us on 13 2664 EST 8am-6pm, Monday to Friday.

## **General Insurance Code of Practice – providing you with even better service**

The General Insurance Code of Practice was developed by the Insurance Council of Australia to further raise standards of practice and service across the insurance industry. We keenly support the standards set out in the Code. You can obtain more information on the Code of Practice and how it assists you by contacting us using the details on the back cover.

## **Dispute resolution process - helping you solve any problems**

We have a free internal complaints resolution process that can be accessed by contacting us using the details on the back cover. If this process doesn't resolve the complaint we will give you information about how to access available external dispute resolution schemes.

## **If this insurance has been issued through an insurance intermediary**

If your policy has been issued through our agent, or a broker who is acting under an agency arrangement such as a binder with us, then they are acting as our agent and not as your agent.

Where this policy has been arranged through an intermediary a commission is payable by us to them for arranging the insurance.
